**WRECK OF LIMITED AT
BAGDAD MAY COST THE
SANTA FE A MILLION**
That the Bagdad wreck will cost
the Santa Fe railroad almost a million
in damage claims in suits on behalf of
the dead and injured alone was the
intimation given out by railroad officials
yesterday. The committee organized by
Senator Sun. Officials of the claims de-
partment are busily engaged in set-
tling up demands as speedily as possi-
ble in the hope of avoiding costly
damage suits.
The wreck, coming within two
weeks of the end of the present fiscal
year, ruined a perfect record with "no
passengers killed this year" marked on
it. For five years the Santa Fe has
carried its perfect record and the ac-
cident is a blow in more ways than
one. Persons killed have been due to
automobile collisions and similar dis-
asters.
At 10:30 this morning at 10:30
o'clock the engine in the cases of
Benjamin M. Cram and Charles W.
Belden will be held by Coroner E. P.
Pulter in the office of Justice of the
Peace George R. Crane. The date of
inquest was changed from yesterday,
when it was originally set in order to
allow a representative of the state
railroad commission to attend. W. J.
Handford will act in that capacity for
the commission.
Relatives of the deceased, many of
the injured and their families, officials
and members of the crews will be
on hand at the session. An Upland
jury which saw the bodies of the two
men who were killed as the train
passed through Upland, will render
the verdict at today's inquest.
At Haretown yesterday officials of
the Santa Fe took an inventory of the
damage to equipment. The damages to
the costly equipment of the dining
car and composite cars and to the two
locomotives will alone run into more
than \$100,000, it is thought.

Male Flirt to Jail for Twen-

Been Warned.**
J. C. Muches, who the police say is
a persistent "masher," was sent into
retirement today by Police Judge
George R. Craig. He was given
twenty-five days in jail when arraign-
ed on a charge of following a
woman on South First street last evening.
Captain O'Grady caught Muches at
his tricks. He was following a young
woman down South First street, try-
ing to attract her attention with
what he thinks is his fetching little
way. O'Grady put a prompt stop to
the performance.
Muches had nothing to say in his
own defense when arraigned. O'Grady
says the man has made a practice
of following women in attempts to
flirt with them and has been warned
to stop it. Muches is about 29 years
old.
